

The Sustainable Business Network is the largest and longest-standing organisation dedicated to sustainable business in New Zealand.

As a member of the Sustainable Business Network you can

Connect - Collaborate with other Network members and build partnerships to grow your business. Connect with our experienced team to receive expert advice, and profile your business on the Sustainable Business Directory.

Connect + Be Inspired + Act.

It is made up of 500 corporates, small and medium-sized businesses, social entrepreneurs and government agencies, united by their desire to create change.

Our independent Network is open to all organisations working to improve their sustainability performance. No matter your size or stage on your sustainability journey, we'd love you to be involved.

Our experienced team of sustainability experts will provide you with practical advice and tools, engage with you at our events and awards, and keep you at the cutting edge of sustainable business news. Our transformation projects will help you succeed and add value to your organisation.

Be inspired - Our creative news and social media outlets share your ideas and stories with like-minded organisations. From workshops with movers and shakers to expert briefings and networking, our nationwide events will help you learn, network and be inspired.

Act - Join powerful business coalitions that are active on the ground, building a more resilient and sustainable New Zealand economy. Our current core work is around water and the circular economy. Use our practical tools and resources to make a difference.
